LEATHER RIBBONS FOR BULL SHOW

PORTERVILLE, Dec. 5 — Something new will be added to the California Polled Hereford association bull sale that will be held Saturday at the district fair grounds, Fresno.

Hand-made, leather ribbons will be presented to the champions and the grand champion of the show that will precede the sale — the ribbons being designed and made by Lois Regan, of Woodville.

As Mrs. Regan sees the situation, what could be more fitting for a cattle show than leather ribbons? So she is making a set for the Hereford show.

It is possible that this idea may be carried into other livestock shows of the state, with leather ribbons replacing, at least in part, the conventional cloth ribbon.

Assisting with the sale from the Porterville area will be Cyrille Faure, secretary of the state association; Bill Reece and Bill Roby. Consigning to the sale from Tulare county are Gladys Cooper, of Tipton, and Luther V. Patterson, of Lindsay.

Sale animals will be presented

Range Group Will Elect New Officers Tonight

SPRINGVILLE, Dec. 5 — New officers for the coming year will be elected tonight at a meeting of the Tulare County Range Improvement association, being held at 7 p.m. at the Mt. Whitney hotel in Lindsay.

President Bill Dye, of Springville, has announced that in addition to the election and business session, talks will be given on range fertilization, chemical control of brush, and legal aspects of control burns.

One of the leading associations of its kind in the state, the county range improvement group pioneered in brush control work in foothill areas as a means of increasing grazing capacity on range land, and also as a means of increasing water flow.

Method most used in the past has been controlled burns, followed by reseeding of the burned over area, however, mechanical and chemical control methods have also been used.

Association activities extend from the White River and Hot Springs country on the south, along the foothills through the Springville and Milo country, and on into the Badger and Esham valley areas.

OLD FAMOUS BUILDING IS BEING REWORKED FOR BANK; SANTA CLAUS PUTS PORTERVILLE ON HIS SCHEDULE

PORTERVILLE, Dec. 5 — South side of the ground floor of the old Famous building is now being remodeled for the Crocker Anglo bank branch that will move into Porterville; no work is being done on the other side of the petition, however, there is still a possibility that Sears will go in there, as originally talked.

And calling attention to the season at hand is an announcement

Two New Members In Veteran Class

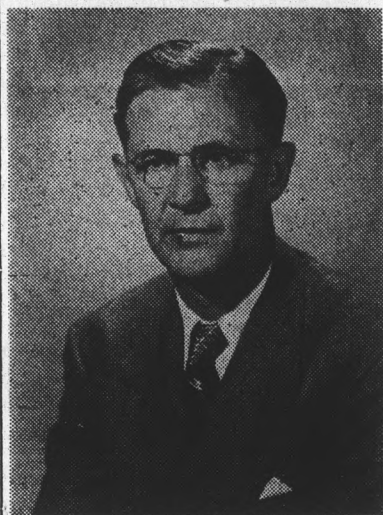

PORTERVILLE, Dec. 5 — Two new members have enrolled in the Veterans' Vocational Agriculture class at Porterville high school, according to Bill Reece, instructor. They are Arlin Morris and John Ireton; planning to come into the class are Jack Zaninovich and Jim Flynn.

Howard Beard, Who Retires At End Of School Year, "Owned The Town" When His 1927 Team Beat Strathmore

By Bill Rodgers

PORTERVILLE, Dec. 5 — A lot of things can happen in 30 years, but when Howard Beard, superintendent of Porterville Elementary schools retires at the end of this school year, he can look back to 1927 as possibly his greatest year in Porterville.

For it was during that year — his first in Porterville and his first as coach of the Porterville high school varsity football team,

Howard Beard

Terra Bella 4-H Leaders Assisting With Conference

VISALIA, Dec. 5 — Jim Muller and Mr. and Mrs. Roy Nesbit, of Terra Bella, are working on the committee that is planning a Tulare County 4-H Leaders' conference that will be held Saturday, December 7, at the Ivanhoe school, 9:30 a.m. until 5:00 p.m.

"Rounding Up Ideas" is the theme for the day; Muller will act as master of ceremonies. Others on the arrangement committee are: Mrs. John Khachigian, Oak Grove, chairman; Herb Kramer, Earlimart; Mr. and Mrs. Walker Robinett and Mrs. C. S. Swanson, Oakdale; Mrs. J. D. Andreas, Col umbine; Mrs. Franklin Cole, Divisadero, and Mrs. Martin Wolf, Tarusa.

LARGE CROWD IS INDICATED FOR SATURDAY NIGHT DINNER THAT WILL HONOR SENATOR BILL KNOWLAND

PORTERVILLE, Dec. 5 — A crowd of more than 400 persons is indicated by advance ticket sales for the Porterville dinner Saturday night that will honor United States Senator and Mrs. William F. Knowland at the Porterville high school cafeteria, at 7:30 o'clock.

The Senator will speak on issues of the day, following dinner prepared by the staff of the cafeteria. A choice of barbecued beef or ham will be offered.

The Knowlands will come to

that he beat Strathmore, something that no Porterville varsity football team has been able to do in the eight years that Strathmore high school has existed and had been playing football under D. R. Lightner.

Back in those days, Strathmore was a football power, winning county championships, contending several times for valley honors. And the fact that Strathmore had broken away from Porterville high school to form a new district, taking Mr. Lightner, who had coached football at Porterville, in the process, set the stage for as bitter a rivalry as any that existed in the valley.

Beard well recalls that 1927 game at Strathmore; it was a rock-em-sock-em affair right from the beginning and ended in a 0-0 tie. Rule then was that a tie game was settled by placing the ball on the 50 yard line, letting each team alternate in carrying the ball five times; the team that, after five plays, had advanced beyond the 50-yard line won.

After four plays, Strathmore was seven yards inside Porterville territory, but on Strathmore's fifth play, the pass from center rolled free; George Bastian, Porterville end, recovered and ran 20

(Continued on Page 3)

"LIGHTNING HITS TWICE"

PORTERVILLE, Dec. 5 — It couldn't happen, but it did. Carmel McIntyre's name came up for the second time, Tuesday, in the Silver Bonus contest, which proved you can break even the law of averages. Miss McIntyre got \$12.50, which leaves \$37.50 "in the pot" next Tuesday. Read Silver Bonus pages in this issue of The Farm Tribune to see how you too might win!

Porterville from Visalia, where a public reception will be given for them at the Hotel Johnson, 5:00 p.m. until 6:15 p.m. They will make a brief stop in Hanford en route to Visalia, following a noon lunch in Fresno.

For the past several days, Senator Knowland, who is the minority leader in the United States Senate, has been in Washington, D. C. He will return to California

(Continued on Page 3)

TAX DEADLINE NEXT TUESDAY

VISALIA, Dec. 5 — First installment of Tulare county taxes must be paid by 5 p.m., next Tuesday, December 10, Tax Collector J. A. Janelli reminds property owners. Delinquent taxes will draw a six per cent penalty; Janelli also warns that persons who have acquired property since March, 1957, but who have not received a tax bill, should contact his office, in the new county courthouse, Visalia, at once.

THE KRAMERS, musical acrobats, top, and Nelson Harris, a comic one-man band, who are listed among the top professional acts that have been booked for the annual Kiwanis Kapers, that will be presented by the Porterville Kiwanis club next Thursday evening, December 12, at the Porterville Memorial auditorium.

HOLLYWOOD ENTERTAINERS PERFORM IN KIWANIS KAPERS NEXT THURSDAY NIGHT AT MEMORIAL AUDITORIUM

PORTERVILLE, Dec. 5 — As the ticket sales campaign for the Kiwanis Kapers of 1957 enters its final week, Phil Crapo, general chairman, warned holders of reserved seats to select their seats early while a choice is still available. "Tickets have been selling rapidly," Crapo stated, "and with the show only a week away, we expect to have a sell-out for this one night performance."

The Kiwanis Kapers is the annual fund raising event sponsored by the Porterville Kiwanis club. This year's all-pur-dren's work. This year's all-professional show will be staged at the Memorial auditorium on Thursday night, December 12, at 8 p.m.

"In the past, we have put on a local talent show," Crapo said, "But this year we felt that the public would enjoy a variety show such as would be seen in Las Vegas or Hollywood. All eight acts are made up of headline performers."

Heading the talented show is Connie Haines, diminutive songstress, who has appeared on numerous TV programs and night club shows; Dave Barry, comedian, who will act as master of ceremonies.

The Kramers, who will perform

COTTON MARKETING VOTE TUESDAY

VISALIA, Dec. 5 — Cotton producers of Tulare county will join cotton growers of the nation in a referendum, Tuesday, December 10, to decide on a cotton marketing program for 1958. Rice growers will vote at the same time.

Polling place will be open in southern Tulare county at: Porterville, city hall; Poplar, Grange hall; Earlimart, Kiggins' potato shed on highway 99; Tipton, Women's club, and Tulare chamber of commerce office at the county fair grounds.

The polls will be open from 8 a.m. to 7 p.m. Absentee ballots are available at the ASC office at 201 West Acequia street, Visalia, for those who will not be able to cast their ballots in person on December 10, 1957, however absentee ballots must be postmarked before December 10, 1957.

If quotas are approved in the referendums, price support for the 1958 crop of upland cotton and rice will be available to eligible growers (who comply with their 1958 acreage allotments) at the full level of the effective supports. If they disapprove the quotas, support to growers will be 50% of parity for the 1958 crop. To obtain approval two-thirds of the voting growers must approve the quotas.

Rolla Bishop Judges 600 Hogs At Great Western

PORTERVILLE, Dec. 5 — Rolla Bishop is back in Porterville this week after judging over 600 head of hogs at the Great Western Livestock show, held in Los Angeles last week.

Bishop, who formerly was one of the West's leading Poland China breeders, had to "call 'em as he saw 'em", and place a cross-bred Duroc-Berkshire gilt as the grand champion hog of the show. This winner was shown by Wesley Selvidge, Wasco Future Farmer.

At the Great Western this year were 291 individual animals in the

(Continued on Page 10)

their musical, balancing routine; Dr. Giovanni, the magician, who will put on an audience participation act that has been a great favorite wherever he has appeared.

Nelson Harris, the comic one man band, is a show stopper where

Pecarovich Will Speak At Football Banquet

Porterville, Dec. 5 — Mike Pecarovich, former head coach at Loyola University, will be the speaker at annual banquet for Porterville high school and Porterville college football teams next Wednesday evening, December 11, in the high school cafeteria.

Ben Cole and Al Melcer will serve as masters-of-ceremonies; invitations have been sent to 450 persons.

OUR TOWN

By Gardner (Bud) Wheeler

WE WERE NEARLY ENGULFED in a crime wave recently when a couple of junior model mobsters tried to make off with a motor scooter that has been cluttering up our premises of late. As usual, the scooter wasn't running, so it had to be pushed down the street. When we sighted the spectacle of this mechanical wonder being snatched practically under our noses, I gave the view halloo and

took up the chase. I set a new record for five yards and was running smoothly at ten. Fortunately the junior mobsters dropped the scooter and scrambled, so I could quit running. This was a relief to all parties concerned; especially me.

BEING A REASONABLY UPSTANDING citizen, who pays his taxes with all the enthusiasm that an innocent man shows for being hanged, we immediately 'phoned the local police. Quicker than you can say, "calling all cars", an energetic member of the local constabulary was beating, politely too, on the door. He entered, well-adorned with the tools of his trade dangling from him; such things as handcuffs, gun, black-jack and other items that are designed to make wrong doers see the errors of their ways.

AFTER A BRIEF ROUND of amenities, the conversation went thusly: Officer to victim, "What's your name?" We answered that without a miss. Officer to victim, "How old are you?" With the aid of a slide rule, we also managed to answer this, too. Officer to victim, "Do you live here? What's the address?" This was a double barreled query, but we answered it with reasonable certainty. The suspense began to tell, and we finally suggested that we

Urmey, Reising Participate In State Conferences

PORTERVILLE, Dec. 5—Ralph B. Urmey, teacher-principal of the Tulare-Kings Counties sanitarium school at Springville, and R. R. Reising, director of the Porterville Evening college, have returned from San Diego where they attended conventions of the California Association of Home and Hospital Educators, and of the California Association of Adult Education Administrators.

Urmey, the president of the hospital educators group, conducted the conference and also participated in a panel discussion on the effect of 1957 legislation on the hospital schools in California. He said the new laws will permit hospital schools to offer more rounded programs.

Urmey also was a platform guest at the adult educators' conference, in which Reising served as a panel member in a discussion on "Adult Education Contributes to the Convention of Human Resources."

get onto the subject of the crime. Officer to victim, "You got your scooter back didn't you?" The answer was yes. End of interrogation. The officer nodded politely and departed with the tools of his trade still intact.

AFTER WE CLOSED THE DOOR, we had a stirring in our memory. Once before we reported a gas theft to the police. They didn't even ask if it was regular or ethyl, but did manage to ask me my name, age and address. Maybe we'll quit reporting crimes. They already know my name, age and address, so there's no need to go through all that again.

THE PUBLICITY MAN for the Kiwanis Kapers has been plying us steadily and generously with publicity about this year's performance to be. It's the 1957 Kiwanis Kapers for the benefit of the under-privileged children's fund, to be held December 12 at 8 p.m., in the Memorial auditorium. (That takes care of the what, why, where and when). On perusing the several volumes of material regarding the performers of this all star cast, we discovered that it reads like a who's who on TV and night club entertainers. All these acts have been put on wherever people go to spend their excess money on evenings out, and are very high class indeed. Frank-

COMPLACENCY IS DANGEROUS

Sportsmen are usually a vociferous group when it comes to protecting what they have, or when going after something they want.

But in the case of the current move toward state legislation that would put doves on the protected bird list, complacency is running rampant in so far as individual sportsmen are concerned.

This morning, a state assembly committee hearing is being held in Visalia to collect testimony on this matter of taking doves off the game bird list and putting them on the protected list.

We hope that individual sportsmen appear and voice opposition to this move, but we believe that those favoring will be in greater number, for there has been a fairly well-organized move in the county to promote letters favoring dove protection, and attendance at the hearing.

Some sportsmen's organizations will have resolutions on file with the committee, and we know that Ross Welch has attempted to get a sportsmen's group to attend from Porterville.

But by and large, individual sportsmen, perhaps thinking that the proposed dove protection legislation is so foolish that it will never pass, are planning to be among those absent when the assembly committee meets this morning.

We are afraid that complacency among individual sportsmen could well carry the day for those misguided individuals who want doves placed in the non-game bird category.

It could happen that way, you know. It could happen.

VACCINATION FOR POLIOMYELITIS URGED BY COUNTY HEALTH OFFICER FOR EVERYONE UNDER 40 YEARS OLD

VISALIA, Dec. 5 — All persons under 40 years of age who have not already done so are urged to obtain vaccination against poliomyelitis by Dr. Elmo Alexander, Tulare county health officer. Dr. Alexander says:

"Every person under 40 in Tulare county is reminded about the importance and urgency of immunization against poliomyelitis. There are many in Tulare county who have had their first "shots" and the season for their third shots is rapidly approaching. This third shot is very important and necessary for more complete protection against paralytic polio.

"Only about half the people under 40 in this county have had their necessary number of injections, we feel that this is one of the best shows to hit town, since they tore down the old Opera house.

This is not enough to give Tulare county the protection against this disease to which it is entitled. Let's not do a half-way job. All are urged to see their physicians about completing their course of the vaccine.

"The health department still has a supply of vaccine available for those unable to secure the immunization from private sources. Clinics in different areas of the county are now being operated. The appropriate interval between the second and third shots is from six to eight months."

Poultry Disease To Be Discussed

VISALIA, Dec. 5 — Poultrymen from Kings, Tulare, and Fresno counties are invited to attend a meeting on chronic respiratory disease, sponsored by the University of California Agricultural Extension service, 8:00 p.m., December 9, in Dinuba, at the Jefferson School hall, Crawford and East Sierra Way. Dr. Henry Adler, University of California department of poultry pathology, and Dr. A. S. Rosenwald, Extension Poultry pathologist, will present information on the cause, symptoms, diagnosis, prevention, and treatment of chronic respiratory disease.

Do vitamins stay potent?

Vitamins come lots of ways—powders, liquids, some in pills, some in capsules. Some must be refrigerated to maintain full strength. Some have limited storage life. Others should not be mixed until just before taking. And so on.

We bring all this to your attention because "vitamin preparations" are being sold all kinds of ways these days. You hear offers on the air. You see offers in print. You even find salesmen ringing your doorbell.

For reasons mentioned above, the proper place to obtain vitamin preparations is your registered pharmacy where professional knowledge assures your getting full vitamin value.

Howard Beard

(Continued from Page 1)

yards before he was tackled, and Porterville had beaten Strathmore for the first time, 2-0.

That was when Howard Beard could "write his own ticket" in Porterville.

And just to prove their point, Beard's boys again beat Strathmore that same year in the annual Armistice day game, 6-0. This one was won when Harry Marnock, Porterville tackle, broke through to deflect a Strathmore pass attempt; Harold Brown, Porterville guard, took the ball in the air and ran 30 yards for the touchdown.

Letter winners on this Porterville team included: Hunk Dunning, captain; Angel Brovelli, who later became an All-American on one of St. Mary's great teams coached by Slip Madigan; Frank Ferguson, Jim Berkshire, Bastian, Marnock, Boyd Cable, Ben Knott, Foster White, Frank Quaresma, Brown, Ray Whitney, Norman Castle, Gerald Bessey, Newell

Smith, Lloyd Lamb and Bill Milinich.

The team lost that year to Visalia, 7-6, in the county championship playoff.

In 1928, with Brovelli running, blocking and tackling like a college star, and also serving as team captain, Beard won the county championship, going through the league without a defeat, beating Strathmore, 13-12, then taking Exeter for the championship, 26-0.

Porterville had started the 1928 season by playing a 0-0 tie with the Bakersfield Drillers, then coached by Goldie Griffith. The Drillers were state champions in those days, and didn't like that tie; when they met Porterville in valley playoffs at the end of the season, they poured it on, 51-7, which Beard no doubt remembers as the roughest afternoon during his 30 years in Porterville.

Lettermen on the 1928 county championship team were: Bessey, Tex Brogden, Brovelli, Brown, Bob Craig, Jess Eckles, Pete Hinton, Louis Fittro, Lamb, Eugene Lindgren, Les Means, Pierce, Quaresma, Walker Spellman, Leland Sickles, Traylor, White and Whitney.

Beard came to Porterville as a football coach after he had been interviewed, while attending summer school at the University of California, by the late W. A. Ferguson, then Porterville high school superintendent. He continued as football coach until 1932, took the Porterville college basketball team for two seasons, then retired from coaching to devote his time to administration and special school work.

In 1930 he became a vice principal at Porterville high school; in 1946 he resigned from the high school staff, and later took a part-time job as assistant to Emmett Berry, then Porterville Elementary school superintendent.

In 1947, Beard became a full-time assistant to Berry, then, in 1948 was named acting superintendent of the Porterville Elementary system while Berry took a leave of absence to do special work for the state of California.

Following Berry's resignation in 1949, Beard became superintendent and has held the position since that time.

In looking back to the first years that he was in Porterville, Beard recalls with affection his assistant coach at Porterville high school, the late Pop Hamlin. He is also high in his praise of Brovelli, who he classes not only as a great football player, but a natural leader, a fine sportsman and a highly cooperative individual.

"In fact most of the boys who played for me during those first years were smart," Beard says. "In checking on them now you find them as business men, attorneys, ranchers, prominent leaders in their communities. The qualities that have made them successful in later life made them a tough

MEETING RECENTLY to plan table decorations and menu for the Saturday night dinner that will honor Senator and Mrs. William F. Knowland were, from left, above: Lee Zimmerman, Ann Buchanan,

Mae Sheldon, Ellen Jean Sheldon, Gladys Ambrose, Edith Lewis, Alice Noble, Edna Smith, Ella Young and Rose Faure; seated are Dorothy Olson and Ethel Prestage.

The meeting was held at the home of Mae Sheldon; the Knowland dinner is set for Saturday evening at the Porterville high school cafeteria, 7:30 p.m.

team to beat when they were playing high school football."

In commenting on football changes during the 30 years since he first coached in Porterville, Beard says that he used the single wing (they still use it at UCLA and elsewhere) plus double wing formations.

He had seen California's Wonder Team play ball and was impressed by their quick kicks; as a result, he used the quick kick more than it is used in modern football.

And running plays worked from power and reverses, with some passing, rather than from the quick openers and considerable passing as in today's game.

Beard played four years of football at Carthage college in Illinois; he then did graduate work at the University of Illinois and at Wisconsin. He had taught for five years in Illinois before he and Mrs. Beard came to California, and Porterville, to live.

As for trends in education in Porterville since 1927, Beard is of the opinion that the public and parents are more interested in education now than they were 30 years ago.

He believes that the elementary schools are doing a better job with the individual student, fitting the educational program more to the abilities of the child.

He thinks children with high IQs are being better educated than in the past, he says there is a trend now to try to take care of the child who is intelligent, but who is not learning because of emotional problems.

And Beard produces charts and comparisons to show that in Porterville Elementary schools emphasis on basic subjects — the "three Rs" — has brought results that top national averages in most cases.

He believes that in Porterville schools there is a constant, yearly improvement in the teaching of the three Rs.

Large Crowd

(Continued from Page 1)

Friday. Everyone is invited to both the reception in Visalia, for which there is no charge, and to the evening dinner in Porterville, for which a charge of \$3.00 is being made. Persons desiring dinner tickets, however, should get them without delay.

Offering the invocation at the dinner will be the Rev. Terence Stoker; the national anthem will be sung by Carmel McIntyre; dinner music will be provided by Elizabeth Neufeld at the Thomas organ.

Beard announced his retirement, effective the end of the current school year, at a recent meeting of the Porterville Elementary School board. His successor has not been named as yet.

Christmas is a coming and the best thing everyone could do is leave town for a month. This would give you time to save your money, catch your breath and start the new year right. Knowing this is out the only other thing is to start early and get everything done before the rush.

If you really want to be lazy just call us and we'll pick out a nice plant, gift wrap the container, tie on a Christmas card, and deliver it all the day before Christmas. We can also deliver Sunset books on gardening, patios, travel, and do-it-yourself projects.

One fool proof present is a gift certificate. You can either let them make the choice or specify "this is good for one rose, or four roses", or whatever you feel fits the problem. For out of town friends a gift wrapped package of gladiolus bulbs sets you up right with most anyone — (unless it's your daughter and she's expecting a new Ford or something.)

Getting back to your own yard, it's time to grind up the old turkey bones and feed your bulbs. About one pound to twenty feet or a teaspoon to a bulb. If the carving knife is still sharp you could start trimming some of the deciduous trees although it's still a little on the early edge. After pruning give everything a clean-up spray with Calsul which is a lime sulfur and oil recipe. Good for man or beast.

For other garden problems stop by and we'll try to help. If you haven't any we'll sell you some. On "E" Street, Porterville.

Dick Weist Points College Team Toward Tough Central California Conference Basketball Schedule

PORTERVILLE, Dec. 5 — Coach Dick Weist's Porterville College basketball team will have a busy week, with three games scheduled. The Pirates will host the Hartnell College Panthers from Salinas on Thursday night at the high school gym. On Friday, they will travel to Edwards Air Force base for a game there, and on Saturday night they will play the Fresno State College junior varsity in Fresno.

The Pirates opened their non-conference play last week with three games. They dropped a 68-66 decision to a strong alumni team on Tuesday; took an 82-40 beating from a powerful San Bernardino JC team on Friday night; and were edged by Antelope Valley JC, 78-75, in a game played at Lancaster on Saturday night.

The Pirates have more depth than last year, but Weist is faced with the job of developing a team that can survive in the strong Central California conference this season. Teams from this league have won three state tournaments in the past 10 years, and have been runner-up on two other occasions. Hancock, the defending state champion, is rated even stronger than last year, while College of Sequoias, another former state winner, is in the running again with another outstanding team.

Weist has a big man on the Pirate squad for a change. He is Ken Barstow, a 6-7 player from Sioux Falls, S. D. However, most of the rebounding responsibility falls upon him, and he hasn't had much of a chance to show scoring punch.

Other starters with Barstow have been Dock Spruell, former Merced High school star; Tiny Hill, all-league player from Porterville High school; Herschel Mosier, a sophomore from Williams, Ariz., who was a reserve last season; and Bob Hill, the only returning regular. The Hill brothers have been the leading scorers in the three games to date.

Outstanding reserves include Sam Paguia, high scorer for Delano High school last year; John Felix, all-league performer and the Central Yosemite league's top scorer from Hanford; Roger Cobb of Merced, Charles Kirksey of Delano, Bruce Gum of Williams, Ariz., Frank Fear of Big Piney, Wyo., T. J. Owen of Barstow, and Roy Springmeyer, a returning regular. Springmeyer was late in reporting because of football, but is expected to be one of the team's top performers when he rounds into shape.

After their three games this week, the Pirates will travel to the coast on December 13th and 14th for games with Monterey Peninsula college and Hartnell.

Almond forecast is for 40,600 tons in California, 69 per cent of the record 1956 crop.

SPRINGVILLE NEWS

By Winnie Gage

Mr. and Mrs. Bill Dye, Mr. and Mrs. Don Gill and Jack Fees have returned home from a ten day hunting trip to Montana. All five of them got an old and a nice deer.

Mrs. Ruth Matranga was a guest of her daughter, Mrs. Francis Griffiths of Bakersfield over the past weekend.

Thanksgiving day dinner guests of Mr. and Mrs. Frank Negus were Mr. and Mrs. Frank Hill and children of Tulare.

Mrs. Betty O'Connor and children visited her mother, Mrs. Dorothy Cook in Santa Monica over the holidays.

Mr. and Mrs. John Beeler, owners of the Beeler's Inn Cafe, have leased to Mrs. Veda Cypert. She will change the name to the Koffee Kup. No changes will be made in the hours or personnel. Mrs. Ruth Peterson and Mrs. Lois Moulton will assist Veda as they did Mrs. Beeler.

Mr. and Mrs. Ralph Gardner and children of Stockton were weekend guests of his parents, Mr. and Mrs. J. A. Gardner.

Barbara Collier, of Terra Bella, is visiting her brother, Mr. and Mrs. Steve Ennis and family. The women's Bible study class met in the home of Mrs. Ennis on Tuesday.

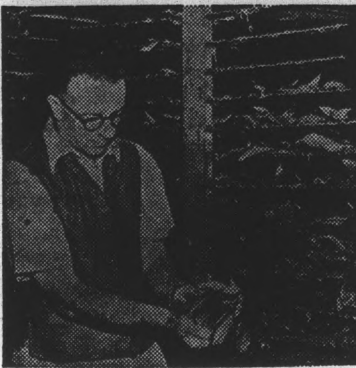

The Tule River Houndsmen held their meeting November 29 in the Memorial building. Several Houndsmen were present from southern California.

Students Assist Patients' Club

PORTERVILLE, Dec. 5—Members of the Future Business Leaders of America club at Porterville High school assisted the Patients' Honor club at the Porterville State hospital in a dance and party at the hospital recreation hall. Students serving as hosts were Noel Beaty, Gene Hill, Mamerto Eola, Melvin Miller, Stephen Furr, Donna Crain, Willa Hallett, Carol Whistance, Barbara Davis, Marilyn O'Neil, Judy Parnell, and Karen Davenport.

Just For FUN

by ROBERT C. PREBLE, President, Encyclopaedia Britannica

This drink occasioned five riots in the American colonies in 1773 . . . stimulated the building of clipper ships . . . accompanied the growth of the British and the Russian empires . . . and is taken in Tibet with dumplings as a soup. (Answer, printed upside down, has as many letters as there are squares.)

Though the Boston Tea Party was the most celebrated one, there were actually five such "parties" in the American colonies protesting "taxation without representation"; tea is, of course, the answer.

Judy Barnhart Chairman Of Cancer Society

PORTERVILLE, Dec. 5 — Judy Barnhart was elected chairman of the Porterville unit of the American Cancer society at a meeting held Monday evening in the Porterville chamber of commerce building.

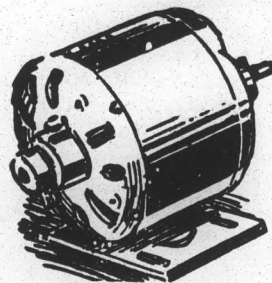

Other officers are: Elizabeth Green, vice chairman; Marie Simpson, secretary, and Fanny Natzke, treasurer. Attending the meeting from Visalia were Mrs. Celia Erickson, county executive secretary of the society; Mrs. Vinita Betts and L. S. Lohmeyer.

THE OLD DAYS

March 1900

MILO — Emmett Barber has been straightening out boundary lines along the South Tule. Several land owners are not left happy over the location of government lines, as in some cases buildings and orchards have been found running over onto neighbor's land. These conditions came about through disappearance of corner marks and errors in past surveys.

Mrs. C. L. Wilson and Mrs. James Aiken are visiting in Tulare.

UPPER TULE — A. B. Clement has some fine draft mares and a span of four year old mules to sell, or trade for cattle.

R. G. Williams has some lumber

yet to haul for the Porterville Lumber company.

VISALIA — G. S. Berry has bought 1,500 range horses in Nye county for \$2.50 per head. He is taking them as they run and gathering them at his own expense.

Ralph Hopping has been in San Francisco to confer with the passenger department of the Southern Pacific company about starting a stage line and pack train to the Giant Forest. He says Southern Pacific is concluding arrangements to send passengers into Visalia to go on into the mountains.

Porterville Report

by C. N. PERRY, Factory Manager
Porterville Plant
Rockwell Manufacturing Company

Thanksgiving gave us the opportunity to think of the events of the past year and take stock of the good things that have come our way. One of the nicest things which has happened to Rockwell is the way it has been accepted into the community — how it has been welcomed and made to feel "at home" in Porterville. There are many ways this spirit has been shown, but it has been made most evident by the genuine display of good feeling and interest toward Rockwell and its people. For this we are very thankful.

The display of interest in the Rockwell operation is indicated most by the number of inquiries we get about the plant, its operations, and its people. This being the case, we've decided to start this little column which will appear from time to time. We'll call it a Porterville Report because it is meant as an informal report to you on what's going on out at our plant.

The recent observance of National Education Week brought to mind the vital services our schools perform for the community. From our brief acquaintance with the Porterville School administrators, it is easy to see that they are following the American ideal of providing a rounded, useful education for the community's children. It is their aim to develop every child as far as his abilities permit.

Here at the Porterville Division our experiences are parallel because school goes on all year long. We have a constant program of education for our people from the day they are employed as trainees. Some classes are organized to permit formal instruction with lectures, demonstrations, and movies, but the great part of our in-plant education takes place right on the job. Here our supervisors and older employees take a new employee under their wings and pass along their experience so that those employees learn to do their jobs well. As our people gain greater skills and abilities, they are moved along to more challenging jobs which require more training and experience. Just like the public schools, it is our aim to develop our people as far as their abilities permit.

In future "Porterville Reports" we hope to tell you specifically how some of our people have responded to this training and have advanced themselves as a result of it. We'll also pass along information on our products, our local operations, and other stories which will help Porterville get better acquainted with Rockwell and its people. Just as you, as an individual, want your friends to know you better, so it is that Rockwell wants to be known and understood by the community in which it operates.

The merchant on Main Street has an advantage over us. He can display his wares in his windows where you can see them when you shop, or go to the movies. Located as we are on the edge of town there's a possibility that some folks might forget about us. That's exactly what we don't want to happen. We are as much a part of Porterville as the merchant on Main Street and these "Reports" are our display windows. We hope you will enjoy reading them.

One of a series of informal reports on the operations and activities of the

ROCKWELL MANUFACTURING CO.
Porterville Division

for its customers, suppliers, stockholders and other friends.

We Only Heard

By BILL RODGERS

SATELLITES HAVE influenced Porterville library reading to a considerable extent, particularly among the young people, and more particularly among boys in the 12-15 year age group. Dorothy Margo, librarian, tells us that new interest is being shown not only in satellites, but in science generally; in astronomy; in matters relating to outer space. . . . When we suggested that perhaps the reason adult interest has not been noticeably stimulated via the satellites is because some of us don't want to have our ideas confused by facts, Mrs. Margo disagreed. She thinks that adults are also interested, but that they satisfy this interest by reading newspapers and magazines more than do those of the younger generation. . . . At any rate, here are some new titles in the library: "Earth Satellites", by Patrick Alfred Moore; "Making of a Moon", by Arthur Charles Clarke; "Science in the Making", by J. H. Hildebrand, and "Atomic Quest", by Arthur Holly Compton.

SPEAKING FURTHER of the library, several pictures by Ann Pennington are now being exhibited, and we suggest you take a look at them, for someday we'll be saying "We knew Ann when. . . ." This talented young lady is now a senior at Stanford; she is trying for enrollment in an accredited art school and a fellowship to Europe following her graduation. She has already sold pictures, including a chalk work, in color, to the Henry J. Kaiser family; while at Stanford she has been doing off-campus commercial work designing billboards. . . . Ann is the daughter of the William Penningtons, of Springville, and a graduate of Porterville high school.

WE SAID we liked the way Harry Kane coached football at Porterville college, and the way his boys played the game. We said this some time ago, and now that the season is over, we'll repeat it. Harry and his Pirates came up with four wins, four losses and a tie — not an impressive record as such, yet, the Kanemen outgained all of their opponents, except the very powerful Fresno Rams. . . . Lack of reserve strength was the difference this year; a squad of from 21 to 25 men, even good men, just can't get the job done week after week now-a-days in junior college football. . . . But the Pirates played good, hard ball; it was a pleasure to watch them. We hope there are more of them next year.

SOME TIME ago it became evident that American men and women were no longer strong enough to open a package of cigarettes. To meet this tragic situation, all sorts of gadgets were devised and advertised to compensate for this sudden loss of strength. And

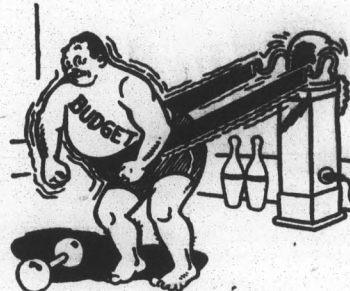

Katherine Hanson Presented In Recital

Miss E. Lois Shook presented Miss Katherine Lou Hanson in an advanced organ recital recently. Invited guests heard the following program:

First Sonata, Allegro Aszai Vavance third movement, Felix Mendelssohn-Bartholdy; Fantasie in C Minor, Johann Sebastian Bach; Voluntary on the 100th Psalm, Henry Purcell; Worthy Is The Lamb That Was Slain, Messiah, George Frideric Handel; Gentle Child Jesus, Johann Sebastian

American ingenuity prevailed; anyone can now open a package of cigarettes. . . . So today comes television. It is apparent that no one in the American family has the strength to turn the TV off or on, and getting out of a chair, walking to the set and twisting a dial to change a program is simply beyond the physical capabilities of modern man. So space tuning is the thing. Sit right there, punch a little gadget that you hold in your hand, and the TV set does anything you want it to do. . . . But we feel that the American public faces a grave crisis in this space tuning. After all, to make space tuning work, one has to move one's finger. And moving one's finger is not to be taken lightly. . . . Quick, someone. It's have a tuner for the space tuner — a tuner that knows what we want and, without even a finger raised, tunes the tuner that tunes TV.

SILVER BONUS DAY!

Silver Bonus Contest Rules

The Farm Tribune will appropriate \$25 to be used for a great contest. Persons residing in Porterville are eligible.

Entry blank from any Silver Bonus store and complete this sentence in 25 words or less.

I love Porterville because.....

Received at Silver Bonus stores or at The Farm Tribune will be judged each week and the winner of the judges, has submitted the best entry and will receive \$5. In the event prizes will be awarded.

Representative will call at the home of a person, the evening of each Silver Bonus contest, hours of 6 and 7 and will award a \$5 prize if not at home he may call at The Farm Tribune and give his \$5 award.

At home to receive his \$5 prize and can have or payment on account that Silver Bonus store or stores, then he is awarded according to the following schedule:

Amount to more than \$5 he will be awarded \$5.
Amount to less than \$5 he will be awarded entire bonus.

The award is not given in any week with less than a week's bonus. The \$5 prize for the best entry regardless of whether the winner has a sales record.

Judged principally on the basis of their sin- gular thought. Under no circumstances will the names of the person submitting be known.

The property of The Farm Tribune and the contest is final.

The Farm Tribune and their immediate fam- ily enter the contest. Owners and employees can win the additional awards only on other than that with which they are con- sidered.

Up N' Down WEST OLIVE

A favorite saying of the late Judge Mountain Landis of baseball fame was, "There is nothing new going on, only different people doing it." That about sums up the activity along the Olive branch — Kelly's used furniture mart is now located at the corner of Newcomb and Olive, while across the street Mr. Bailey is

shifting his produce operation into a series of mammoth refrigerator cars he purchased in Los Angeles.

Sign painter, Jim Gurley has moved to spacious new quarters at 312 West Olive with a new line of sign material.

According to: Maurice Howeth of The Stock Pharmacy, during the 1918 influenza epidemic, porkers came down with running noses, fever, loss of weight. Veterinarians think they probably caught it from sniffing farmers. Public health officials now plan to test blood samples of pigs for the Asia-

tic strain of flu virus; they think barnyard carriers could later pass the bug to humans.

Heard at Kenyon's sport center: "I once owned a setter that was really smart. I had him on the street one day when a man stopped me and questioned me about him. The dog acted very queerly — almost coming to a set — and seeking a reason for the dog's behavior. I asked the man his name. His name was Quayle; the dog had hesitated because he was confused by the spelling."

ANCHORAGE, ALASKA — It's 9 p.m., and we have just arrived at the International Airport from Kenai via the famous "Alaskan bush pilot" method, a Piper Apache owned and operated by veteran pilot Jim Hurst.

Just how these bush pilots fly from the sticks to the town in the night we don't know and don't ask. True, we hadn't intended to leave Kenai quite so late but then it becomes dark here at about 3:30 p.m., this time of year anyway and the day lights up in the vicinity of 9 a.m. When we arrived at our plane to take off it was covered with frozen snow that had to be scraped off the wings and tail before taking off.

Our mission to the Town of Kenai was two-fold, to observe the moose on the U.S. Fish and Wildlife managed moose range of Kenai and look over the oil strike operations and their conflict, if any with the moose population, the latter opinion of which we hold in abeyance for the time being.

We actually saw only a few moose, it being somewhat too overcast for good vision in the morning and too dark in the evening. Maybe at a later date we can try for moose movies.

Here in this great expanse of territory the U.S. Fish and Wildlife Service acts in the dual capacity of state department of fish and game and federal agency as well and in all they are doing a good job as fish and game managers to the extent of the limited funds that are made available by Congress.

Bear apparently is the major big game specie here, the famous big brown, the mean grizzly and the much smaller and inoffensive black bear, same or similar to the bear "outside" and that's what the natives here call the United States, outside.

Moose or caribou, perhaps is the next in importance on the hunter's check list and then sheep and goats. For small game, waterfowl

WATER MEETINGS IN SAN DIEGO, SACRAMENTO

SACRAMENTO, Dec. 5 — Water problems in the southern area of California will be the subject of a hearing that will be conducted in San Diego, December 17, by the Joint Committee on Water Problems of the California legislature, chairmaned by State Senator J. Howard Williams.

Subcommittee of this committee that covers financial and economic policy for state water projects will hold a public hearing in room 4202 of the state capitol, Sacramento, at 10 a.m., December 20.

This latter meeting will afford a final chance to present testimony on ways and means of financing state water projects, prior to completion of hearings by the sub committee, which is chairmaned by Assemblyman Carley V. Porter, of Long Beach.

Mrs. T. J. Bruns Will Be Installed As Volunteers Head

PORTERVILLE, Dec. 5 — Mrs. T. J. Bruns, of Terra Bella, will be installed as president of the Council of Hospital Volunteers at the Porterville State hospital at a meeting set for January 27.

Other officers who will serve through the 1958 year are: Mrs. A. B. Gardner, vice president; Mrs. Robert Evans, secretary; and Mrs. Beatrice Tidball, treasurer. Outgoing president is Mrs. Howard J. Frame.

ranked first followed by various species of grouse, ptarmigan and the snowshoe and arctic hare. Fishing for salmon and trout is rated as some of the best in the world.

Across

THE COUNTER

Last year over a million 1/4 inch drills were sold. Yet not a one of the purchasers wanted a 1/4 inch drill — what they really wanted was 1/4 inch holes!

Likewise, many thousands of people in and around Porterville buy insurance policies each year. Undoubtedly you are among them. What you really want, however, is not an insurance policy, but PROTECTION. Are you SURE you are getting it?

"Protection" comes only to those who carefully select the right coverages in the proper amounts. Merely buying "a policy" doesn't mean you'll get protection.

That's why it PAYS to put your insurance problems in the hands of a professional insurance agency. Such an agency can render skilled help, based on years of experience, in making sure your policies will deliver PROTECTION.

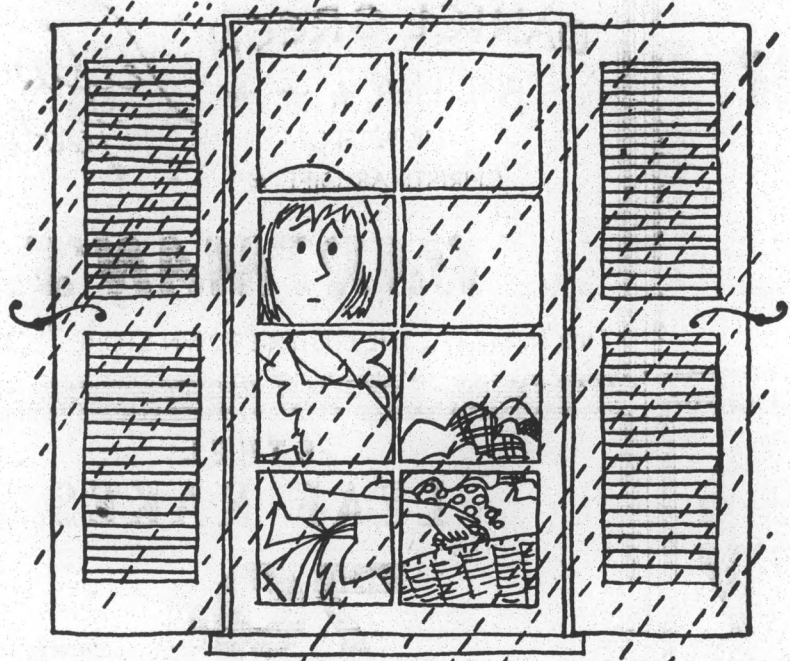

So get the "protection" you think you are buying. Visit our office and talk things over. We will see that you are not just "insured" but "protected"!

LEGAL NOTICE

NOTICE OF HEARING ON THE FOURTH ANNUAL ASSESSMENT OF THE TEA POT DOME WATER DISTRICT

Before the Board of Supervisors of the County of Tulare, State of California

In the Matter of the Fourth Annual Assessment of the TEA POT DOME WATER DISTRICT.

NOTICE IS HEREBY GIVEN that the TEA POT DOME WATER DISTRICT has, pursuant to Section 36562 of the Water Code of the State of California, filed an estimate of the sum required by the District in discharge of all of its obligations (1) which were then unpaid, and (2) which will materialize during the next year, and (3) that it is probable will be incurred and mature during the next year, and that Tuesday, December 24, 1957, at the hour of 10 o'clock in the forenoon in the Chambers of the Board of Supervisors in the Court House in the City of Visalia, County of Tulare, State of California, has been fixed as the time and place when and where the Board of Supervisors of Tulare County will meet as a Board of Equalization and hear all objections presented to it regarding the correctness of any assessment and all testimony relevant to such objections and continue in session from day to day until all objections and relevant evidence have been heard and acted upon, and that the assessment book of the district is on file with the Clerk of said Board of Supervisors and may be inspected by the public at the offices of the Clerk of said Board in said Court House at Visalia, California, at any time during business hours until the completion of the hearing.

Dated this 19th day of November, 1957.

By order of the Board of Supervisors.
CLAUD H. GRANT, County Clerk and Ex Officio Clerk of the Board of Supervisors.

Defendants

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: ERNEST ROWTON and ANNIE ROWTON, Defendants.

YOU ARE HEREBY DIRECTED TO APPEAR and answer the Complaint in the action entitled as above, brought against you in the Superior Court of said County of Tulare, State of California, within ten days after the service on you of this Summons, if served within this County, or within thirty days, if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiffs will take judgments for any money or damages demanded in the Complaint, as arising upon contract, or Plaintiffs will apply to Court for any other relief demanded in the Complaint.

Given under my hand and seal of the Superior Court of the said Tulare County, State of California, this 6th day of August, 1956.

NOTICE OF ASSESSMENT
Number 118

Hilo Water Company, a California corporation with principal office at the city of Porterville, County of Tulare, State of California.

NOTICE IS HEREBY GIVEN that at a meeting of the Directors held on the 2nd day of December, 1957, A. D., an assessment of Ten (\$10.00) Dollars per share was levied upon all shares of this corporation payable on or before the 2nd day of January, 1958, A. D., to the corporation at the office of the secretary, one mile north of Porterville, California, or mailed to P. O. Box 70, Porterville, California. Any shares upon which this assessment remains unpaid on the 2nd day of February, 1958, A. D., will be delinquent and unless payment be made prior to delinquency said shares or as many of them as may be necessary, will be sold at secretary's office, one mile north of Porterville, California, on the 2nd day of March, 1958, A. D., at ten o'clock a.m. of such day to pay the delinquent assessment together with a penalty of five per cent of the amount of the assessment on such shares or be forfeited to the corporation.

FRANK O. SHELTON, Secretary
Address: P. O. Box 70
Porterville, California d5,12

WILT-RESISTANT EARLIANA SEED IS AVAILABLE

VISALIA, Dec. 5 — Tomato seed of the Earliana F-56, wilt resistant, variety is available to growers for their trials according to Farm Advisor Vince Schweers.

This variety has been produced by the University of California for Tulare county conditions. Tests conducted by Dr. Paul Smith of the Vegetable Crop department at Davis and Mr. Schweers indicates the variety has real promise for the county growers. The plant and fruit is of the Earliana type, however, the fruit is usually more firm and not as flat as the commonly grown Earliana types.

Any grower interested in a trial amount of this seed should contact Mr. Schweers at the Farm Advisors office in Visalia by December 5th. The amount of seed each grower receives will depend on the number of requests received.

The Earliana F-56 has been carried in the test plots as C-56. This variety has resistance to Fusarium wilt or tomato wilt but not Verticillium or Cotton wilt said Mr. Schweers.

California sport fishermen have taken 275,000 Yellowtails, as of the end of October, a figure that far exceeds the previous record year of 1940 when 80,000 Yellowtail were reported caught.

California corn production is estimated at 437,000 tons this year.

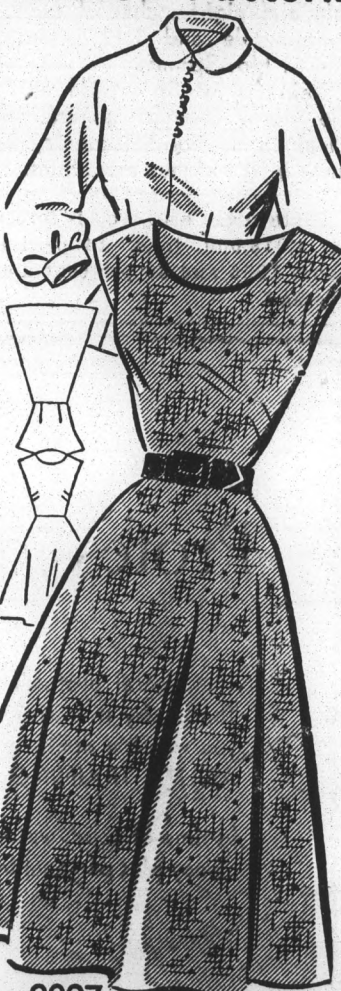

A fruit-filled pie for Christmas is as traditional as Little Jack Horner and just as good. This delicious pie, made of cranberries, raisins and nuts will be even more festive with a topping of holly leaves cut from pastry. Serve it warm or cold.

Fruit-Filled Holiday Pie

3-1/2 tablespoons quick-cooking tapioca 3 cups fresh cranberries
1-1/3 cups sugar 1-1/4 cups water
1/2 teaspoon salt 1 teaspoon grated orange rind
2/3 cup seedless raisins 2/3 cup chopped walnuts or pecans
Pastry for two-crust 9-inch pie

Combine quick-cooking tapioca, sugar, salt, raisins, cranberries and water in saucepan. Cover and bring to a boil. Cool, stirring occasionally. Add orange rind and nuts.
Roll half the pastry 1/8 inch thick. Line a 9-inch pie pan and trim pastry 1 inch larger than pan, fold edge to form a standing rim, and flute. Roll remaining pastry 1/8 inch thick and cut out holly leaves, turkeys, Christmas trees, or any desired design with cookie cutter. Or use paper pattern and sharp knife. Fill pie shell with fruit mixture. Arrange pastry cutouts on top. Bake in hot oven (425°F.) 45 minutes, or until syrup boils with heavy bubbles that do not burst.

Christmas Leave For December Army Enlistees

VISALIA, Dec. 5 — Traditional policy of the United States Army — the granting of Christmas leaves to men enlisting during the month of December — is again being followed, according to M/Sgt. Mesrop G. Boyajian, chief recruiter for the Visalia-Porterville-Hanford area.

Sufficient leaves will be granted to allow new enlistees to spend both Christmas and New Years at home, Sgt. Boyajian states.

He also calls attention to the wide variety of assignments that are offered in the modern army: Guided missile electronics, various engineering fields, medical, transportation, airborne - paratroopers and many specialized jobs.

Full information can be obtained at the army recruiting station, 127 North Garden Street, Visalia; phone REDwood 4-7115.

Richard Haddock National Winner

VISALIA, Dec. 5 — Richard Haddock of the Liberty 4-H club was named one of 12 National winners in the 4-H tractor program; the announcement was made at the National 4-H Club congress in Chicago which Richard is now attending. This honor includes a \$400 scholarship which Richard can use to attend any college of his choice. The following companies sponsor the tractor scholarships on the national level: American Oil Company; Humble Oil and Refining Company; National Committee on Boys' and Girls' Club Work; Standard Oil Foundation, Inc., Chicago, Illinois; Standard Oil Company (Kentucky); Standard Oil Company (Ohio); and Utah Oil Refining Company.

29 MILLION CHRISTMAS TREES

WASHINGTON, D. C., Dec. 5 — Americans will buy an estimated 29 million Christmas trees this year; and for the first time U.S. department of agriculture grading of trees is available to dealers in trees on a voluntary basis. There will be a charge by the government for the grading service.

LITTLEST ANGEL EVENT SET FOR FRESNO GROUP

FRESNO, Dec. 5 — The Littlest Angel chapter of the Children's Home Society of California, the state's largest private adoption agency, will hold its fourth annual Christmas Fantasy, December 11th through 15th in the lobby of the Californian hotel in Fresno.

The event is the sale of small decorated Christmas trees and mantle, and door decorations for the holiday season donated by business firms, schools and individuals in and around Fresno. The proceeds are to go to the Children's Home society.

Trophies will be awarded to the displays judged the most beautiful and unusual.

The Children's Home Society is now in its 66th year of service and has helped over 17,000 children. The agency places children of all races and creeds, including handicapped children.

The Littlest Angel chapter was organized in 1954 in order to raise funds for the Children's Home society in the Fresno area.

The Christmas Fantasy is open to the public and everyone is invited to attend.

Terra Bella 4-H

(Continued from Page 1)

Sheldon Jackson, extension director in Tulare county, will speak on "Purpose of the Conference"; Rudy Monosmith, state 4-H club leader, will speak on "The Leaders' Role"; Adena Joy, state 4-H club specialist, will talk on "How 4-H Meets the Needs of Boys and Girls."

Afternoon session will center around project leader training. About 150 adult club leaders are expected to attend.

Business Awards Are Offered To College Students

PORTERVILLE, Dec. 5 — For a second year, Porterville Junior college will participate in the \$12,000 Bank of America Junior College Business Awards program, it was announced today by O. H. Shires, director of the college, and Fred Pierre, the bank's manager at Porterville.

Inaugurated last year, the program offers cash awards of \$100 each to two outstanding students in the business departments of each of the 60 junior colleges in California.

The bank's purpose in providing the awards is to encourage students to complete their junior college education and to consider a career in business.

Winners will be selected by the faculty. One award will go to a major in either banking or business administration and the other to an outstanding secretarial or clerical student.

The \$100 checks will be presented in San Francisco next spring at a Business dinner to which a delegation from the college will be invited.

Last year, when 30 colleges participated in Northern California, the winners from Porterville Junior college were Ellajean Miller and Erma Lalanne, both of Porterville.

RAIN, SNOW BROUGHT BY AREA STORM

PORTERVILLE, Dec. 5 — Storm that moved into the area yesterday brought .46 inches of rain to Porterville during the night, according to Daybell Nursery records, to bring season total to 2.32 inches, compared to 2.02 last year. From Sequoia National Forest headquarters comes report of 1.34 inches of rain and two inches of snow at Pinehurst; 1.36 inches of rain and eight inches of snow at Johnsondale and 1.12 inches of rain at Hot Springs.

Rain fell at Springville also as the storm brought general rains all along the foothill country, and snow in the higher mountains.

State sugar beet crop is forecast at 4,018,000 tons, 14 per cent above 1956 and 30 per cent above average.

College Players Offer "Madwoman Of Chaillot"

PORTERVILLE, Dec. 5 — A comedy which has delighted audiences all over the world will be seen at the Barn Theater this weekend, December 5, 6, and 7, when the Porterville College Crownesters stage "The Madwoman of Chaillot" directed by LeRoy King.

A more raffish lot of characters never wandered through the first act of a play. And when the Madwoman, played by Sheila Cuffman, invites the three other ladies (Rose Green, Maureen Mulligan and Ellajean Miller) to help her settle the future of humanity over a cup of tea, the ensuing hilarity will bring down the house.

Eugene Craig, the ragpicker; Wes Willows, the King of the Sewermen; Stanley Kyker, doorman; Warner Barber, policeman; Charles Lesneski, policeman; and LeRoy Meek, deaf mute; all contribute to the wacky comedy. Douglas Morford and Betty Ann Muehlenbruch portray the young lovers.

Other members of the cast: Marshall Boyd, Alan Brooks, Patsy Byars, Earl Carpenter, Wanda Cone, Tom Gong, John Meek, David Ollar, Jack Price, Ken Sherry, Les Sherry, Ray Snow, Bruce Walsh, Ronald Fiori and Frank Goodson.

Performances have been scheduled for one weekend only. Reservations may be obtained by calling Sunset 4-3296 or the Porterville college office.

Hollywood

(Continued From Page One)

ever he performs; the comic dance team of Dennis and Cameron, and the acrobatic Ferreris are included in the show, and of particular interest are the de Matiazis and their "wonderful dolls". These are life-sized electronically controlled performers have outshone the stars wherever they have appeared.

Aiding Chairman Crapo in the presentation of this year's show are Nick Joannides, who is in charge of house and ushers, Leo MacCarthy, finance chairman, and the Kiwanis club at large, which is serving as the ticket selling committee.

Old Famous

(Continued From Page 1)

Most stores will be open late on December 7 and 14, and from December 16 through December 23.

And dates to remember: Chamber of commerce banquet, February 20, 1958; another Hawaiian Holiday flight next summer, sponsored by the Porterville chamber.

Grevilla is getting a shot of widening along the Ough property, and between Putnam and Mill.

Notice the change developing at Main and Harrison?

Sermons From Science is causing favorable comment along the avenue; you can still see the last presentation, Friday night.

Cold weather — down to 29 degrees — hit the avenue this week — also auto thieves. No damage reported from the former; four cars stolen reported from the latter.

And just to see what's going on along the avenue, stop in at Porterville's Art Fair next to the Monache theater. (Open through December 7.) You might be surprised at what the local artists are doing.

Porterville's high school band, 130 strong, placed fifth in its class at the All Western Band review in Long Beach over the weekend.

Death came this week to Weston C. Hart, Terra Bella poultryman and a native of Visalia; to Elwood McCourt, who came to Porterville in 1910; to Leona Irene Alley, wife of William Paul Alley.

Rolla Bishop

(Continued From Page 1)

fat classes; two carloads of 25 each, and about 275 head of breeding hogs in open and junior division classes.

Bishop said that there were four distinct types of hogs in the show; that as a result of breeding aimed at producing a "meat-type" hog, distinctly different types even showed up in the same breed.

He expressed some concern that in the quest for the meat-type animal, desirable breed characteristics may be deteriorating.

FROST WARNINGS ISSUED NIGHTLY

PORTERVILLE, Dec. 5 — Frost warnings are being issued nightly on radio station KTIP at 8:15 p.m. and 9:55 p.m.
